

CPC Bio Cutting Oil BC69

- CPC Bio Cutting Oil BC69 is formulated with eco-friendly synthetic ester base oil and selected additives. It can reduce the impact on environments and operator's allergy issues.
- The product is chlorine-free, non-staining to copper, and non-corrosive to ferrous metals. Also it provides cutters good protection from wear due to its superior lubricity.
- The product is suitable for moderate-duty cutting operations, and provides effective machining performance on both ferrous and non-ferrous metals.
- Through the examination of a third-party verification agency, the bio-based content of the product is 70%, conforming to United States Department of Agriculture (USDA) specification, and obtaining the USDA Certified Biobased Product Label.
- Packages: (1) 200 liter drum
(2) 19 liter pail
- The typical test results are as follow:

Sp. Gr., 15.6°C/15.6°C, D4052	0.8761
Viscosity Kin., cSt@40°C, D445	9.18
@100°C, D445	2.91
Viscosity Index, D2270	191
Pour Point, °C, D6749	-19
Flash Point, °C, D92	234
Color, D1500	L0.5
Acid Number, mg KOH/g, D664	0.76
Rust-Preventive, D665B	Pass
Copper Corrosion, D130	1b
Product No.	LB73769

Note: Typical properties are based on standard tests under laboratory conditions. Variations that do not affect product performance are to be expected during normal manufacture. Please consult your local CPC representative if you have any questions.
